**The TT** is located just north of Wichita in Kechi. For start times see Figure 1.1. The TT is a very flat fast course, it starts at the entrance to the Kechi City Park, heads North on Oliver to a turnaround and finish near the start. After the race, but before posting the results, there will be an ice cream social provided by the City of Kechi.

**The Criterium** is in Wichita. For start times & course info see Figures 1.2 & 1.3. The Criterium a fast flat right turn .8 mile course at the Ventures Business Park. Individuals wanting to race multiple categories at this race are encouraged. But no additional race points will be earned to go towards the total for the Race Series. A food vendor will be on hand.

**The Road Race** is located approx 43 miles outside of Wichita. For start times & course info see Figures 1.4 thru 1.6. The Road Race is approximately a 24 mile loop through flat and rolling hill terrain at the base of the Flint Hills. Registration is in Atlanta, Kansas at the community center. Atlanta is the Start line for most of the race categories, with selected other categories, the Starting line is at the 50% course corner in Smileyville. **All Finishes are in Atlanta.** (See Figures 1.4 & 1.5). All categories except J10-12 will have a King of the Hill Bonus points in this Road Race applied to the series totals. (See Figure 1.6) Atlanta has scarce local resources so fill your gas tank in Douglas or Leon on the way out (plan ahead). In Atlanta there is a chuck wagon type café and the locals will be at the community center selling barbeque fixings. Race results will be posted on Friday and Saturday evenings at the Race Hotel.
